**24. PUBLIC FORUM**

(i) Community Arts Workshop

Francis Godwin, the Arts and Creative Community Worker, provided the Committee with a report in relation to the development of the Arts Workshop since its relocation from the former Art College premises on Avenue Road to the Westbury Centre. He expressed thanks to the Town Council for its financial assistance and outlined the various initiatives which had been pursued in the past year.

He outlined the composition of a new Committee and the successful award of a Lottery grant of £9,000 which had been used for the Mosaic Group based at the Sydni Centre. This project required further funding particularly in relation to cataloguing and exhibiting work. He also outlined the various projects undertaken in partnership with other organisations aimed at assisting young people and input to the Lantern Project workshops organised by Leamington BID. Discussion was currently taking place with Warwick District Council to possibly utilise the East Lodge at Jephson Gardens as a permanent base, subject to securing funding. This location would enable more workshops with a creative theme which would also help to address some of the key health issues identified by some clients.

The Committee commended Mr Godwin for the contribution made by the Workshop, particularly in relation to working with people with health issues and those young people identified with poor school attendance records. It was appreciated that much of the work of the Workshop involved input from other organisations and this support would need to be clearly defined to assist future progress.

Mr Godwin was thanked for his presentation and left the meeting.

(ii) Saturday Friendship Group

The Committee received a presentation from Jenny Armstrong and Janice Austin in relation to the Saturday Friendship Group which had

received considerable funding from the Community Grant Fund over several years.

The Committee was updated on recent developments including the increasing emphasis now being placed on helping to develop personal skills and build confidence among those using the scheme. In partnership with the Salvation Army, a schedule of key performance indicators had recently been devised which showed that the Friendship Group was making steady progress in achieving its targets. It was noted that in relation to helping secure accommodation for clients, particular difficulties were now being experienced due to both increased demand for private rented and social housing and the reduced supply of supported accommodation. This was a key area to be addressed and would require input and action by a range of agencies. Funding had been obtained from Orbit Housing Association for the employment of a Job Coach who would help to assist clients with the completion of personal CVs and understanding of the job application process.

The Committee was thanked for its ongoing support in helping to keep this vital service to vulnerable people active. The Committee thanked the representatives for their presentation and commended them on the support they were providing in those areas no longer adequately bridged by mainstream services.

Mrs Armstrong and Mrs Austin then left the meeting.

## 25. **TOWN TWINNING MATTERS**

### (i) **Bruhl 40<sup>th</sup> Anniversary Celebrations**

The Chairman referred to the recent visit to Bruhl in connection with the celebration of the 40<sup>th</sup> Anniversary of the twinning agreement and the presentation of a bench to the Town Council by the Mayor of Bruhl. It was now necessary to agree a suitable location for this item. Several suggestions were made including the Pump Room Gardens and the forecourt area outside All Saints Church.

**RESOLVED** that the Town Clerk investigates the options for placing the donated bench either at the Pump Room Gardens or outside All Saints Church.

### (ii) **Other Twinning Matters**

Discussion briefly took place on the possible format of the return visit to Leamington Spa by Bruhl over the period 4-8 September 2014, and it was agreed that this would be best deferred for discussion by the Twinning Working Group.

**RESOLVED** that arrangements for the visit to Leamington Spa by a delegation from Bruhl over the period 4-8 September 2014 are discussed in detail with members of LITS at a meeting of the Twinning Working Group.

Reference was also made to the recent letter to the Town Clerk from a resident suggesting a possible twinning link with a Town in Northern India. It was agreed that this was a matter that would require careful

consideration together with discussion with Leamington Twinning Society.

**RESOLVED** that the proposed twinning link with a town in Northern India is deferred pending further discussion.

The members of LITS confirmed that the dates for the exchange visits to Sceaux, provisionally agreed as 4<sup>th</sup>-8<sup>th</sup> April, had not yet been confirmed though this was understood to be the preferred dates. It was anticipated that the visit of the delegation from Heemstede would take place over the period 26-30 June 2014, but no official letter to Heemstede should be sent until hosting arrangements had been determined..

The members of LITS then left the meeting.

**RESOLVED** that the prospective Twinning visits are noted and action taken as appropriate.

26. **MINUTES**

**RESOLVED** that the Minutes of the Cultural and Community Meeting held on 10 October 2013 are approved and signed as a correct record.

27. **MATTERS ARISING FROM THE MINUTES**

(i) **Minute 22 – Tree Renewal**

The Town Clerk advised that, following correspondence with the County Council, it had been agreed that a total of 24 trees, costing £3,120, would be replaced utilising the funding provided by the Town Council. The Committee's earlier suggested location of Villiers Street had not received a response but the shortfall within the scheme amounting to the sum of £880 could be utilised on the replacement of trees recently removed from Beauchamp Avenue. This work had been rendered essential as a result of the declining health of 8 lime trees which had necessitated their removal in the interests of public safety.

**RESOLVED**

- (i) that the proposed programme of tree replacements as set out in the schedule attached to the signed Minutes is approved; and
- (ii) that a further £880 is incurred on replacing lime trees removed from Beauchamp Avenue.

28. **BLUE PLAQUE UNVEILINGS**

The Town Clerk reported on the recent unveiling of three blue plaques and directed the Committee's attention to the approved list of candidates for potential plaques in 2014.

At this juncture the Committee expressed no preference for any of the approved candidates but would reconsider the matter early in 2014.

**RESOLVED** that the Report of the Town Clerk is noted and further consideration given to potential candidates for a plaque at the next meeting.

**29. COMMUNITY GRANTS APPLICATIONS – MONITORING FORMS**

The monitoring information, circulated to Members prior to the meeting in respect of the recipients of Community Grants in 2012-13, was noted.

In relation to the Lillington Fun Day it was suggested that Cllr Copping make discreet enquiries with the organisers relating to a possible surplus of grant funds after completion of the event.

**RESOLVED** that the grant monitoring information is noted and that a further report is made to the next meeting in relation to the use of funding in connection with Lillington Fun Day.

**30. LILLINGTON LOCAL HISTORY SOCIETY**

Consideration was given to a letter (Report No. 8) from the Vice-Chairman of Lillington Local History Society requesting that the Town Mayor become the ex officio President of the Society.

**RESOLVED** that the invitation to the Mayor to be appointed President of the Lillington Local History Society is accepted, subject to the Mayor's availability to attend future Annual General Meetings of the Society.

**31. LEAMINGTON WALKING TOURS**

Consideration was given to a report (Report No. 9) in relation to the Leamington Walking Tours - 2013. The Committee expressed its appreciation of the work and commitment of the History Group and Volunteer Guides who had taken on the responsibility of both organising and delivering walking tours throughout the Town during the summer months. Statistics for participation by the public were particularly encouraging and boded well for a successful tour programme in 2014.

**RESOLVED**

- that the walks are continued in 2014 by the Leamington History Group;
- that the Town Council continue to provide financial and administrative support for the walks;
- that publicity for the walks is increased and incorporated into other Leamington events and activities;
- that the programme for walks be developed further to include local schools;
- that a portable loud speaker be acquired to assist the guides with managing significant numbers of people; and
- the options for occasional pre-booked walks are accommodated subject to available guides.

The meeting commenced at 6.30pm and ended at 8.25pm.

**REPORT TO A MEETING OF THE CULTURAL AND COMMUNITY COMMITTEE TO BE HELD ON 2<sup>ND</sup> JANUARY 2014**

**LILLINGTON COMMUNITY FUN DAY**

**1. PURPOSE OF REPORT**

To provide the Committee with a progress report on the use of funding granted from the Community Grant Fund for the Lillington Community Fun Day held in 2013.

**2. BACKGROUND**

- 2.1 At the last meeting of the Committee, a monitoring report was considered in relation to the Fun Day at Lillington which was supported by the Town Council with a grant of £500. It was observed that whilst the event had been successful and generated community interest and involvement, a donation had been made to a local organisation from funds remaining unspent after completion of the Project.
- 2.2 The Committee requested that discrete inquiries be made with the organisers to determine the precise use of surplus funds and the reasons for doing so. Councillor Copping has obtained the following response:-
- 2.3 "In response to your recent request I attach the financial results for the Fun day as discussed at the last Committee Meeting which took place on 3 September 2013. These show that the expenses in total for the event were lower than expected because of the generous donation of time and equipment by a number of individuals and organisations. In particular additional events included Golf (free), Beat the Goalie (free) and a very cheap Climbing wall from the scouts (only £100). As there was no overall overspend there seemed to be no requirement to explain how the difference was funded. As John Butler's report made clear the Sports Grant was used towards the costs of a variety of activities as set out in the application – which considerably exceeded the value of the Grant. I would not normally regard this as an "overspend".

The minute of our discussions (unapproved) on 3 September read:

*The Grants that we received covered most of our expenses. We also had donations from all the local Churches and we made money on the day from the sale of refreshments and the Barbecue. With what was left in the kitty from last year we ended up with about £1,800 in the bank. It was decided that £1,000 of this will be donated to "The Friends of Lillington Young People and Community". A cheque will be presented to them at the Thanksgiving Service. We will ask if this could be used for a project rather than for running costs.*

As a group of individuals working to support the Community it is not our intention to "make a surplus" particularly in view of the fact that the surplus derives primarily from donations. The decision to pass on the surplus to assist Youth in the area – particularly in view of the recent cuts in the services available seemed an appropriate use of the funds.

Please do not hesitate to contact me if you require any further information on this matter. I am very concerned to maintain good relations with the Council.

Rev DAVID A PALMER

2.4 Analysis of the income and expenditure in relation to this project is attached as an Appendix to the Report.

**3. RECOMMENDATION**

3.1 The Committee is asked to note the observations of the organisers and agree any further action as appropriate.

**REPORT TO A MEETING OF THE CULTURAL AND COMMUNITY COMMITTEE TO BE HELD ON 2 JANUARY 2014 AT THE TOWN HALL, LEAMINGTON SPA**

**LEAMINGTON IN BLOOM**

**1. PURPOSE OF REPORT**

To consider the implications of the decision by the Leamington in Bloom Committee not to participate in the Heart of England in Bloom campaign for 2014; and to consider the disbursement of funding between the Leamington in Bloom Committee and Warwick District Council.

**2. ISSUES**

Heart of England in Bloom Entry

The Leamington in Bloom Committee wrote to the RHS( Royal Horticultural Society) the National in Bloom, organisers raising concerns that the increase in the number of registered electors had pushed the Town up into the Small City category. It was pointed out that Leamington considered itself as a Town, with a Town Council and Town Mayor rather than a City and entering this new category would detract from this viewpoint. The response from RHS stated that the electoral roll figures were used as they were updated annually rather than every 10 years as in the case of the Census results. However RHS did say that the query would be referred to one of their working groups that will be looking both at the judging criteria and operational practices in 2014.

The LIB Committee also expressed concern that the limited resources at its disposal would impact on the work that could be undertaken for the 2014 campaign. Arrangements for the Geranium train and for the Judges tour are labour intensive within a short timescale. The number of Committee members is decreasing each year and it has been difficult to attract and retain new members.

The original intention of the Geranium Trains was to give primary school children basic knowledge about the process of growing plants. The planting up of the Geranium Trains, their launch and their final resting places in the Jephson Gardens and at the Railway Station enabled the children to see the result of their work. Now, in many schools, there is little time within the teaching timetable for tending the plants or for attending the launch of the train.

Following considerable discussion, the majority of those present at the recent LIB Committee meeting thought that this project had run its course and perhaps it was time to move on with new projects and ideas. Since more emphasis is now being put on school 'gardening' projects to give more children a wider understanding of horticulture there may be opportunities for members of the Committee to liaise with schools to give help and support.

With much disappointment, it was decided that there would be no entry into the 2014 Heart of England in Bloom campaign particularly since RHS will be looking into the operational process and the bandings in 2014 which may affect the category the Town enters and also due to the limited resources available to the LIB Committee.

Working with Others

It is recognised by the LIB Committee that there are many groups in the community which, if they could be persuaded to work alongside LIB Committee members, would enhance both the annual campaign and improve the appearance and ambience of the Town. To achieve this link is proving difficult but the LIB Committee felt that contact

must be made in order to achieve a co-ordinated approach. There are many projects which could be brought into the annual campaign, such as 'Garden for Chelsea' (BID), the Community Day by the Friends of Christchurch Gardens, the Edible Garden at the Toilets in Regent Grove together with other projects undertaken by many community groups and schools. .

Local supermarkets run gardening schemes for schools – Morrisons have a scheme called 'Lets Grow' and are keen to develop it further in Leamington. The RHS are advertising a scheme to improve School Gardening and require local champions to persuade schools to take part. Forging links with these and other local organisations would improve the Town's chances of further success in future in Bloom campaigns.

After much discussion it was decided that in 2014 the LIB Committee would concentrate on local activities such as the Garden Competition for Domestic and Commercial properties and working with local Community Groups and schools to raise awareness and give help and support. It was felt by members that this would help to build up the network of Community Groups who work independently throughout the year to come together for the benefit of the Town and any future entry into the 'in Bloom' competition.

### Funding

The LIB Committee expressed concern that there may be an effect on the funding received for its activities if there is no entry for the Heart of England in Bloom campaign in 2014. Out of the annual budget of £7,100, £2,000 was spent by the Committee in 2013 on both the 'in Bloom' entry and the local competitions.

The remaining 70% of the budget is disbursed to Warwick District Council for maintenance of hanging baskets, planters etc. as part of the 'Leamington in Bloom' annual campaign. This disbursement has traditionally been paid to the District Council to help it balance its expenditure on a variety of aspects of the work undertaken in support of planting schemes in the Town. A breakdown of this expenditure has been requested and, whilst not as comprehensive as would be wished, is appended for the Committee's information.

If there is no entry next year in the Heart of England in Bloom campaign, the LIB Committee has suggested that this money could be utilised in the form of grants, by local Community Groups and Schools to set up gardening projects, which in the long-term would not only enhance the Town but would form a foundation for any future entry in the 'Heart of England in Bloom' campaign..

### **3. RECOMMENDATION**

It is recommended that:

- (i) Members note the decision of the Leamington in Bloom Committee not to enter the Heart of England in Bloom 2014 campaign
- (ii) Annual funding continues at a similar sum but that it is utilised not only for local 'in bloom' events but also as grants to local Community Groups and Schools to promote 'Gardening' throughout the town.
- (iii) Consideration is given to the payment of an appropriate sum to Warwick District Council in consideration of the planting schemes undertaken in 2013.

## Leamington in Bloom – Budget allocation 2013/14

<b>Planting Location</b>	<b>No of baskets/boxes</b>
Town Hall - troughs and window boxes	40
Central Parade	54
Pump Rooms	12
Lodges at Jepson's Gardens	2
Victoria Park- baskets under pavilion	18
Clements Street - columns	22
Tubs on poles – various	50

The cost of providing the above, including water supply and an installation safety check is £21,903

In addition to the above, the sponsorship scheme provides some 390 baskets at various locations which are funded by Leamington BID Ltd and other third parties.

In 2013/14 the Town Council has spent £2000 of the £7100 budget in support of the activities promoted by the Leamington in Bloom Committee. There is therefore a current balance of £5100 remaining to be allocated.
